

City of Tom Bean, Texas

Building Requirements

This document is not meant to modify any Federal or State laws or City Ordinances. It is intended to be informative and to be used as a guideline. Where circumstances of a particular job differ from these procedures, the decision of the Building Department will prevail.

Building Codes

All Federal, State and local requirements are applicable to projects constructed within the City's jurisdiction whether specifically listed herein or not. The City of Tom Bean, Texas, has adopted the following codes and/or standards regulating building construction.

2009 International Building Code
2009 International Residential Code
2009 International Fire Code
2009 International Plumbing Code
2009 International Mechanical Code
2008 International Energy Conservation Code
2005 National Electrical Code

Building Permit

Before a building permit will be issued, all plans and documents related to the permit application must be approved by the Building Department and all applicable fees paid to the City of Tom Bean.

All Contactors performing work within the City of Tom Bean's jurisdiction must be registered with the City and provide proof of commercial general liability insurance for claims of property damage or bodily injury.

Construction or building without a permit is subject to a fine.

Inspections

Inspections received by 5:00 p.m. Monday – Friday will be performed the next business day. Inspections related to building construction must be called into Bureau Veritas at (817) 335-8111. Inspection requests can also be faxed to (817) 335-8110.

When all inspections are completed, a final inspection shall be made prior to approving the permanent power release. The final inspection must be passed prior to occupancy of building.

Construction Site

A temporary property address must be posted at the front of the lot and readable from the street. Permanent street numbers must be displayed before final inspection.

A portable sanitary restroom for your workers MUST be on your property until the final inspections are approved.

Construction dumpsters are available from an approved provider and must be ordered through City Hall. Construction area shall be maintained until job completion.

NO construction material, debris, or sanitary restroom facility shall be placed or stored in the public right-of-way or drainage areas at any time.

Erosion control must be in place prior to the first inspection.
